Lynchburg is to have large steel rolling mills in a short time. Gov. Hartranft, of Penn. is at the head of the enterprise. He does'nt mind Readjustment. The Keystone State once took a hand in that game herself, and it did not kill her.

Mr. W. C. Palsen of Brooklyn, N. Y. has filed in the Va. Supreme Court, a petition for a mandamus to compel the Recent Supreme Court Decis Second Auditor to allow him to fund his pecler bonds under the repealed Funding Bill of 1871. He contends that a contract with a portion of the bondholders by which they funded, was a complete contract with all of them, and could not be repealed. A rule was awarded making the case returnable on trate has no authority to give time New Year's day next.

W. C. Roane, the colored lawyer of Richmond, qualified last Satureay week as an attorney in the Va. Supreme Court. This is the first case of the kind in this State.

The way in which the Maine swindle is to be perirated, is at last made public. In one town two notices of election were posted instead of threeas required by law, and for this the vote of the whole town is to be thrown out. This will change the result in The county and will take three Sepators from the Republicans and give three to the Democrats. In another, the election notices were only posted six days instead of the legal seven, and the vote of this town is to be thrown out, which also changes the result in the county. Similar changes on the same trivial technicalities will give the Fusionists 19 and the Ranghlicans 12 Senators. The real vote gave the former 12 and the latter 19. This proceeding will give the Republicaus
